ABOUT ME

Passionate
A hardworking and passionate student with strong organizational skills. Loves collaborating with teammates to develop and implement creative technical solutions to challenging problems.

Ambitious
I always share my positive attitude with the environment. Furthermore, I am adept at handling multiple tasks on a daily basis competently and at working well under pressure.

WORK EXPERIENCE

MALLOW TECHNOLOGY PRIVATE LIMITED
Developed and maintained web applications using HTML, CSS, JavaScript, PHP, and Laravel.Utilized MySQL for database management and integration.Collaborated with a team using Git for version control.

PROJECTS

Ticket Management System

🔲 Developed a support ticket management system with user registration, ticket creation, and status tracking. Implemented role-based authentication for users. Designed intuitive interfaces for ticket management and commenting. Utilized email notifications for admins. Implemented filters for efficient ticket tracking. Admins can perform CRUD operations for labels, categories, priorities, and users. Enhanced user experience with ticket activity log and commenting.
